

Activate with Mog Station

FFXIV Base Game or Expansion

1. Go to the following URL:
<https://secure.square-enix.com/account/app/svc/mogstation/>
2. Log in with your Square Enix/Final Fantasy XIV credentials.
3. On the landing page you will find “Enter Expansion Registration Code” - click it and continue.

4. Scroll below and you will find the code entry boxes, enter your unique code that's displayed on the 'Orders' page of GameKeyShop and click 'Next'. Confirm the game/expansion which you entered and press continue to add the game to your account. You can also find your product key in your email after purchase.

Code Entry

Please enter your registration code, then click Next to continue.
Your entry can be confirmed on the next page.

Five empty input boxes for entering the registration code.

5. The product is now activated on your account and available to play through the Final Fantasy XIV or Steam client.
